**Othering Project Assigned:**

**Wednesday, May 9**

**Due: Tuesday, May 15**

**In-Class Days to Work: Thursday, May 10 & Friday, May 11**

In trios, you will create a visual project that expresses one of the components of othering:

- Stigmatizing difference/Stereotyping
- Dehumanization
- Dominant normativity
- Assimilation

This project must:

- Define the terms
- Include quotes from the reading & explain in your own words what the reading means
- Show visual examples of the term in our society

It can be:

- A poster
- A google slideshow
- A Prezi
- Another visual way of portraying otherness (must get approved by Gallien)

You will be graded on:

- Inclusion of all necessary components
- Visual examples that actually show othering
- Visually appealing ~ colorful, creative, and neat

1. Who are you working with?

2. Which component are you focusing on?

3. What quote from the reading will you include?

4. Summarize the quote in your own words.

5. What examples will you be using to show othering? [e.g. from where? Advertisements? Television shows? Movies? Lyrics? Videos?]

6. What is your goal to accomplish by the end of class today?

7. What is your goal to accomplish by the end of class tomorrow?

8. What additional materials do you need from Ms. Gallien?
